Word Ways

The graphic consists of the words "Word Ways" repeated many times. The text is arranged in a series of concentric, overlapping spirals that originate from the center of the page and expand outwards towards the edges. The words are in a bold, sans-serif font. The colors of the text vary, including white, black, and shades of gray, which helps the spirals stand out against the background. The overall effect is a dynamic, circular composition that draws the viewer's eye into the center.
